BEAUTY AND THE BARTENDER

Move over, cellphone: The hottest new accessory for It Girls on the town is the cocktail. At a new Hollywood bar called **STAR SHOES** (6364 Hollywood Boulevard; **323-462-7827**), fashionistas shop for vintage kicks while knocking back drinks; at the nearby **BEAUTY BAR** (1638 North Cahuenga Boulevard, **323-464-7676**; additional locations in New York and San Francisco), \$10 gets you a martini and a manicure. Meanwhile, in Dallas – where any-time is salon time – the bartenders at swanky **SALON POMPEO** (3227 McKinney Avenue; **214-979-0440**) serve beer, wine, and champagne for a quick pick-me-up between beauty treatments. –K.C.

RAC 'EM UP JAZZ FEST ISN'T THE ONLY PLACE TO HAVE THIS SWEET CREOLE COCKTAIL.
